

# AFTERSCHOOL CLUB DESCRIPTIONS

<b>Book Club, Ms. Gatlin</b> <p>Together, students will choose and read a book while sharing their thoughts and reactions. Through guided discussions, students will expand their love of literature, stories, and characters.</p>	<b>Chess, Mr. Dima Barash</b> <p>Whether you are just beginning your chess journey or are nationally ranked, these small groups help students hone their chess skills through games and exercises. Chances available to participate in tournaments.</p>	<b>Cooking Club, Ms. Masha, Mr. G</b> <p>Interested in learning different cooking and baking techniques? Sign up to make (and eat) delicious creations, from snacks to full meals and desserts - at least one full recipe per session.</p>	<b>Competition Science, Ms. Labrecque</b> <p>Students compete in the SigmaCamp Problem of the Month (POM) while researching and solving complex mathematics, physics, chemistry, biology, linguistics and computer science problems.</p>
<b>Debate Club, Ms. Kim, Mr. Martin</b> <p>Learn the basics of arguments, rebuttals, and evidence-informed speech. This club is open to beginners and advanced debaters. With new topics weekly, students will fine-tune their skills.</p>	<b>Destination Imagination, Ms. Hurley</b> <p>Student teams solve global, open-ended STEM, arts, and service learning challenges to develop creativity, critical thinking, and problem-solving skills through hands-on, student-driven projects.</p>	<b>Tennis, Mr. Zion</b> <p>Learn and practice tennis skills year-round to keep in shape! Students can play singles, doubles, and will have 1:1 attention from the coach. Equipment is provided, but students can also bring their own.</p>	<b>Math Team, Ms. Dunn, Ms. Wyslouch</b> <p>Students learn non-standard math topics like fractals, combinatorics, binary numbers, and cryptography while preparing for various math competitions, including Math Kangaroo, Noetic, NEML, MOEMS, IMLEM, Mathcounts, and AMC 8.</p>
<b>Piano, Violin, Viola, Ainur Tuleniyeva</b> <p>Half-hour, 45-minute, or hour-long private lessons available.</p>	<b>Voice Lessons, Maria Kotova</b> <p>Half-hour, 45-minute, or hour-long private lessons available.</p>	<b>Soccer</b> <p>Let our some energy and learn some new skills with after school soccer! Practice year-round; all are welcome, from beginners to advanced players. Equipment is provided, but students can also bring their own.</p>	<b>Voice, Alexander Prokhorov-Tolstoy</b> <p>Group and individual lessons using the unique ONE TWO THREE SING® method, helping develop confident, healthy vocal technique across styles - pop, jazz, opera, Broadway - while discovering and growing their unique voice and musical identity.</p>
